The men's masters team time ranks third on the overall all-time list, trailing only two times at Cal International. The team stayed steady through the race before moving up towards the end, ranking 18th, 18th, & 20th at the three checkpoints prior to their final 16th place finish. . . Susan's time enabled her to take over the yearly lead on the women's list, replacing Aileen Cota who ran 4:07 at Napa Valley in March while David's time leads the men.
